MEMORANDUM FOR: Assistant Director for Research and Reports

SUBJECT: Analysis of NIS Production First Quarter FY 1959

1. Enclosed for your information is a tabulation of the NIS production performance of each of the contributing agencies for the First Quarter FY 1959, and required production for the Second Quarter of FY 1959.

2. Compared with CIA's production accomplishment of 75%, the ORR production situation is more favorable as indicated below. However, the heavier schedule for the Second Quarter will require a considerably greater production effort as indicated by the second Table below.
